

Florimex Ecuador acts as a link between farms and our clients worldwide. We offer a wide selection of top-quality cut flowers from more than 100 suppliers plus a complete logistic coordination and quality control. Our experience of more than 30 years in the industry is our biggest strength which differentiates us from other suppliers locally.

To expand our business we are currently looking for

Agents in Germany m/f

The right person has experience in the flower industry and even more important, an outstanding network to rely on. Your network exists of (wholesalers, retailers, cash & carry's, import). We are looking for a professional sales representative to whom a target is a challenge.

Other countries

We have specific vacancies for the following countries: Spain, Great Britain, France, Russia, Ukraine and Japan. Should you have experience in other countries you are welcome to contact us as well!

We ask

High level education plus experience in the horticulture business. Extensive depending on the country you are a native speaker and your English is fluently both written and spoken. You are available for travelling, in possession of a driver's license and you own a car.

We offer

Challenging and interesting activities in an international industry. You will get rewarded properly. Support from our South American office and support from our headquarters in Aalsmeer the Netherlands is self-evident.

Applications
